

Utilitarian – Pilot & Demo Terms

Last updated: 22 August 2025

By ticking the box on our enquiry form, you confirm you are authorised to act on behalf of your company and agree to these Pilot & Demo Terms.

1. Purpose

These Terms apply when you access or use Utilitarian's platform for the purpose of demonstrations, pilots, or trials. The platform is provided for **evaluation only** and is not intended for full commercial use unless a separate agreement is signed.

2. Who we are

These Terms are entered into with: - **Utilitarian Pty Ltd** (Australia), and/or - **Utilitarian B.V.** (Netherlands), (together, "Utilitarian", "we", "us").

3. Licence

We grant your company a limited, non-exclusive, revocable licence to use the platform during the demo or pilot. All intellectual property in the platform remains ours. You must not copy, reverse engineer, or misuse the platform.

4. Data & Privacy

If you or your customers provide personal data during the demo or pilot, we will handle it in line with our **Privacy Policy** (www.utilitarian.world/privacy), the Australian Privacy Act 1988 (Cth), and the EU GDPR.

You confirm you have the necessary consents and lawful basis to provide such data.

5. Confidentiality

Each party must keep the other's confidential information secret and only use it for the purpose of the demo or pilot.

Utilitarian – Pilot & Demo Terms (V.10)

Last updated: 22 August 2025

6. Liability

The platform is provided **“as is”** for evaluation purposes, with no warranties.

Our total liability under these Terms is capped at **AUD/EUR 5,000** or the amount paid for the pilot (if any), whichever is less.

We are not liable for indirect or consequential loss.

7. Termination

Either party may end the demo or pilot at any time by written notice. Ending the pilot does not affect rights or obligations that should reasonably continue (e.g. confidentiality).

8. Next Steps

These Terms do not oblige either party to enter into a further agreement. If you wish to continue with commercial use, we will provide an invoice or, if needed, a separate SaaS agreement.

By submitting the enquiry form and ticking the box, you agree to these Terms on behalf of your company.
